Features & Benefits

- Made from whole muscle beef. A patent-pending proprietary formulation and process results in exceptional crisping and curling for appearance that no other bacon alternative has achieved.
- All natural, no added nitrites or nitrates, no fillers, gluten free.
- It's flavorful and satisfying in ways that only beef can be.
- A healthy option that delivers on taste with a chef-inspired proprietary recipe. Approximately 80% less fat, 35% less sodium and 35% less calories than most pork bacons.
- Easy to crisp and serve in about half the time of raw pork bacon.
- Yield is approximately double that of most pork bacons.
- Versatile – can be used across all meals in a variety of ways.
